Haris is a 23 year old singer-songwriter from the Netherlands. His music is typically categorized in urban pop. From a young age on he was passionate about music, and spent years exploring all the possibilities. At the age of 18 he won x-factor and signed with Sony Records hereafter. His first single, ***Playing With Fire***, reached 27th spot in the Dutch Top 40. Haris wrote and recorded songs with the globally known producer Oliver Heldens and the former No 1 DJ of the world, Hardwell. After a few years with Sony Haris decided he wanted to take a different route with his music. He needed to go back to the source, raw, honest. On the recently released EP, he wrote, produced, played, arranged and sang all of the 6 songs. Haris is currently touring in The Netherlands and is planning a Japan tour coming April. He will globally release his full-length album in the spring of 2019.
